Mr. Lloyd Garrison

Dear Sir

⁶⁸ Enclosed find \$4.00
for the Liberator \$2.50 to be credited
on the subscription of Jesse Hosie
a the remainder on my own.

I am very sorry you have found it con-
sistent with your sense of duty not
to notice, in any way, either of my two
letters to you respecting Mr. Hull. I
know you could not have intended
the injustice thus done me & my motion,
to say nothing as to any question of coun-
try. — I cannot feel otherwise than
greatly wronged & ought to have to believe
(not knowing what else to conclude) that
laying spirits have wholly misled you
respecting me. It would be some grat-
ification to know even that, for then
I could perhaps sit you right.

Very truly Yours

Geo. W. Julian
